PUP: ...(UI) everywhere. Every fuckin' ranfla every state you go to it's like that.

CHS: Yeah, they (UI), but (UI), ain't nobody perfect.

PUP: Yeah. So, you know, so it's just we gotta, we gotta work on our problem...and get this shit right. Because if not, we're just destroying each other. Our teams have to be fuckin' fit, you know what I'm saying?

CHS: Yeah but...(voices overlap)

PUP: (UI) misunderstandings like the fuckin' (UI) arrested, fuckin' (UI), from (UI) and fuckin' be better. That's the only thing you can do. But not try to kill each other off. Especially when we're all down ass brothers, you know what I mean?

CHS: But that's the difference. That's like you said, it'll be better, this'll be better if we go to the feds because you'll be able to operate a lot better over there than you will here.

PUP: Eh.

CHS: I mean especially if you and Styx are together. You know what I mean?

PUP: Oh yeah, we fuckin'...we're out there like that it's all good. We have brothers that are in the feds already establish shit over there so...they'll come in with something real firme anyways, you know what I mean?

CHS: Yeah.

PUP: It's just that some brothers, some brothers fuckin'...you know...some brothers might not like it. Because...(UI) Dan Dan fuckin'...they don't like us like that, you know. We don't ride under no body. You see what I'm getting' at?

CHS: Yeah.

PUP: That type of shit. But he hasn't been to a place, where

it's been like, you know, other ranflas.

CHS: Right.

PUP: Big ranflas like they're accepted here in the southwest. And they don't do no (UI) like that. Or (UI) so...

CHS: Yeah but...

PUP: ...she doesn't know the way, he doesn't the way it operates. I mean he's thinking that, you know, these vatos, when he's here he said, "Oh we ride with the Eme" or we ride...he could just ride under them and that's it. They tell us what to do. And it's not like that carnal. It's not like that. That don't tell us what to do.

CHS: Yeah, but, but like...(voices overlap)

PUP: Mutual respect, *si me entiendes*.

CHS: But like you said thought too if...(voices overlap)

PUP: If you get the ranflas with mutual respect and, and, and on the same agenda with the same enemies. Because I had a problem with that when I was out there in Nevada. And that's one of the first things I told the Sureno. But they take to us, wanting us to fuckin'...to ride with them and face the fuckin' MRU. See (UI) they used to kick it with the MRUs while we were in (UI) with them. Me and the carnal Chacon. Because when they're ready to roll with them, that's when they came to us, cause they say here in the city, hey you got some (UI) over here holding it it down and representing like that. And fuckin' we'll extend a hand and all that, and you go, no, no, no, no, (UI) came to us when they were fuckin' (UI) in the MRU and the Surenos. They wanted us to have, but we turned them down. I, I think we shot 'em back a wila to fucking Louie. The one, that dude from Oakland, one of the Nortenos, I saw them well we got twelve, hey but, ah love and respect...I appreciate the offer and everything, but hey...we don't, we don't have no problem...with the Surenos, no? And ah MRUs are our enemies, and we'll just leave it at that but we don't, we ride by ourselves. And when the Surenos came forward, they wouldn't go roll with them. And the Surenos came to us, but a carnal had already established a freaking' good, good relationship with them, no? But he

was an (UI) free, and so we fuckin', me and the carnal decided, alright, we'll fuckin', we'll ride with these fools, but when I start the wilas to fuckin', the, the, the Surenos, I to-I told them too. So I had to say you're a politician, you're a politic, ours are ours, Do you understand this?

CHS: Yeah.

PUP: And you guys have some enemies that are not our enemies. That type of shit. Well we- we don't have no problem with those Nortenos. Well they (UI) done the (UI) over there, you know. And so they understood that. They understood all that. (voices in background) Our only fuckin' enemies are the MRU.

CHS: Let me take a piss real quick, hold on.

PUP: I gotta take a piss too.
